

We are looking for over 150 volunteers to help at the annual **Coaster Run at Six Flags Magic Mountain 5k, 10k and Kids Run**. Volunteer opportunities are Saturday, April 1 through Sunday, April 2, 2017.

This event benefits Talk about Curing Autism (**TACA**).

- **Pre-race Packet Pick Up (12 volunteers needed)**
  - **Saturday, April 1, 2017**
  - Location TBD
- **Event Day (150 volunteers needed)**
  - **Sunday, April 2, 2017**
  - Six Flags Magic Mountain

#### **Volunteer Registration:**

- **Individual** sign up, visit <http://tinyurl.com/individualcoaster>
- To **create a volunteer group**, visit <http://tinyurl.com/groupcoaster>
- To **join an \*existing group**, visit <http://tinyurl.com/joincoaster>

\*you must have the group password from your group leader in order to join a group

For groups of 10+, feel free to create a volunteer group, pick your assignment, and have your members register under your group name. You can also just direct volunteers to sign up individually above and comment they are with your group.

**IMPORTANT:** Group members that register to volunteer are committing to showing up at the event. If 5 or more volunteers from a group do not show up (or they are not replaced), the group will not be allowed to participate in future events. We rely on the help of volunteers to make these events safe and running smoothly.

#### **Instructions for Groups:**

- 1) Create a group by clicking on the appropriate link above. You will be able to choose a group name (Ex: El Monte Red Cross), group password, and an assignment.
- 2) Pass on the join the group link and password to your members so they can register in your group. It is recommended to choose an assignment and advise your group members to sign up ASAP in order for everyone to stay together. We are not able to hold spots for group members. Each group member will need to register themselves in order to sign the waiver, list their t-shirt size, and receive important updates for their assignment.
- 3) Group leaders will also need to register themselves under their group.
